

STUDENT FOR THE EXPLORATION AND DEVELOPMENT OF SPACE NEPAL

Dhumbharai Marg, Kathmandu, Nepal

Ref No. 2026/03/002

Date: 2082/10/22

Internship Completion Letter

To **Prashant Bhandari**,

This is to certify that **Prashant Bhandari** has successfully completed an internship at Student for the Exploration and Development of Space Nepal (SEDS-Nepal) in the role of Electronics Design Intern. The internship was conducted from 24th September 2025 to 1st January 2026.

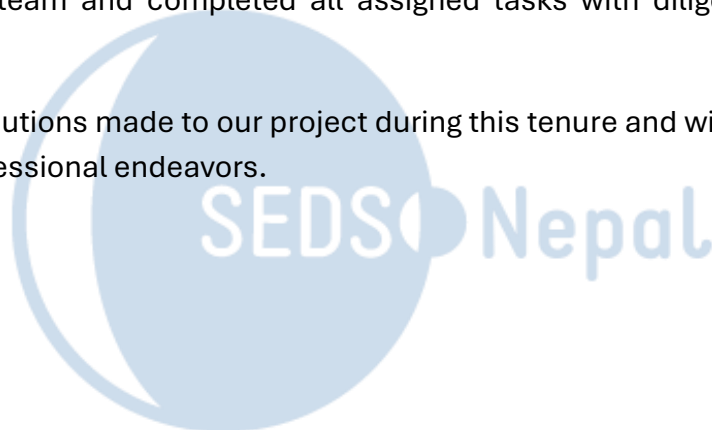

During this internship, Prashant was tasked with various responsibilities including:

- Build electronics system for Pseudo Satellite
- Budgeting of components
- Ensure modularity and reproducibility for school-level replication
- Build code base for the electronics

Prashant has demonstrated great initiative, a strong work ethic, and a willingness to learn. They integrated well with the team and completed all assigned tasks with diligence and a high level of professionalism.

We appreciate the contributions made to our project during this tenure and wish him the very best in all future academic and professional endeavors.
